OVERVIEW

This premier heavy duty cabinet is trusted by multi-national corporate clients worldwide. The cabinet can have 120 door openings an hour while still maintaining core product temperatures. Increased capacity, robust design and individual shelf lighting enhance product offerings. Freestanding and modular units allow any combination of heated, refrigerated and controlled ambient line-ups. Lowest possible cost of ownership and up to 30% energy saving features.

FEATURES

- **High energy efficiency - 0.2 kWh per hour average**
- Maintains ambient core product temperature with up to 120 door openings per hour
- Sliding doors (staff side) and sliding doors or tilt door options (customer side)
- Fan assist air circulation to introduce fresh air into the cabinet
- Three adjustable shelves and base for product display
- 50,000 hour LED lighting to cabinet top and shelves
- Adjustable 150mm feet (+30mm adjustment)
- Unique shelf mounted ticket strip front and rear
- Toughened safety glass
- Designed to integrate into custom joinery
